Adolescent Literacy at Risk? The Impact of Standards

Rebecca Bowers Sipe

In *Adolescent Literacy at Risk? The Impact of Standards*, Rebecca Sipe offers an indepth look at the world of standards.

Throughout the book, she raises questions that are significant to teachers and administrators who are concerned about the direction the standards movement has taken:

- What do we mean by standards?
- Why are there so many standards for literacy and where do they come from?
- How have standards come to be seen as a formula for curricula rather than a platform for collaboration and planning?
