Engaging Grammar

Practical Advice for Real Classrooms

Amy Benjamin with Tom Oliva

Does grammar instruction have to elicit moans and groans from students and teachers alike? Only when it's taught the old-fashioned way: as a series of rules to follow and errors to "fix" that have little or no connection to practical application or real-world writing.

Teacher, researcher, and consultant Amy Benjamin challenges the idea of "skill and drill" grammar in this lively, engaging, and immensely practical guide. Her enlightened view of grammar is grounded in linguistics and teaches us how to move beyond fixing surface errors to teaching how grammar can be used as the building blocks of sentences to create meaning.

In addition to Benjamin's sage advice, you'll find the voice of Tom Oliva—an experienced teacher inexperienced in teaching grammar—who writes a teacher's journal chronicling how the concepts in this book can work in a real classroom. The perspectives of Benjamin and Oliva combine to provide a full picture of what grammar instruction *can* be: an exciting and accessible way to take advantage of students' natural exuberance about language. *184 pp. 2007. Grades 7–12. ISBN 978-0-8141-2338-6.*
