Teaching *Romeo and Juliet*

A Differentiated Approach

Delia DeCourcy, Lyn Fairchild, and Robin Follet

Romeo and Juliet is one of Shakespeare's most-taught plays, yet teachers are always looking for new and effective ways to make the material engaging and adaptable for all students.

By using the concept of differentiated instruction, they provide a practical, easy-to-use guide for teaching the play that addresses a wide range of student readiness levels, interests, and learning styles.

An entire curriculum for teaching the play, the book features:

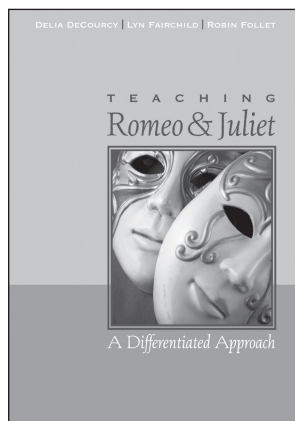

- Lesson plans focused on key scenes
- Scaffolded reading activities that address the different needs of novice, on-target, and advanced learners
- Quizzes, mini-lessons, and compacting guidelines
- Close reader handouts geared toward different levels of readiness

Approx. 296 pp. 2007. Grades 7–12. ISBN 978-0-8141-0112-4.

No. 01124 \$24.95 member/\$33.95 nonmember
