

CALL FOR NOMINATIONS

2016 CEE NATIONAL TECHNOLOGY LEADERSHIP AWARD

Conference on English Education

Shaping ELA teacher education since 1965.

Deadline: *August 15, 2016*

Each year, the Conference on English Education (CEE) identifies a recipient of the **CEE National Technology Leadership Award**. The award provides an opportunity to present at the annual Society for Information Technology in Teacher Education (SITE) international conference. The next SITE conference will be held in Austin, Texas, March 5-9, 2017. All NCTE members, especially CEE members, are encouraged **to nominate themselves or a colleague** whose accepted 2016 NCTE Annual Convention proposal demonstrates cutting-edge and generative methods of integrating newer technologies into teacher education courses or workshops. In addition to teacher education faculty and graduate students, Pre-K - 12 teachers may also be nominated.

Although all nominations will be considered, members of the CEE Commission on New Literacies, Technologies, and Teacher Education, who judge for the award, are particularly interested in identifying outstanding work in teacher education courses or professional development programs. Commission members look for presentations that

- Focus on theoretically sound and research-based methods of teaching the English language arts/literacy in which the technology is a secondary rather than primary focus;
- Use technology to create beneficial opportunities for English language arts/literacy learning that could not exist without the technology;
- Improve students' mastery of English language arts/literacy learning;
- Use technology to address challenges faced by many English language arts/literacy teachers and/or students or the broader community; or
- Introduce new methods for teaching the English language arts/literacy with the use of newer technologies in ways that show promise of working well in widely divergent educational settings.

Nominations must be e-mailed to Committee Co-Chair, Ryan Rish at <mailto:ryanrish@buffalo.edu> no later than Monday, August 15, 2016. The subject line of the email must say NTLI Award Application. Each nomination must include the following:

1. Presenter's name and contact information (home and school addresses and phone numbers),
2. Session title and description (and, if possible, the session number, day and time),
3. A copy of the session proposal, and
4. A detailed statement explaining how the presentation illustrates the characteristics the award is intended to identify (see above bullet points)
