

## Restaurants

### **Our favorites within walking distance:**

**Pastaria** -- delightful, updated pasta dishes. Groups wanting to have a special dinner could reserve the upstairs room (includes an elevator)—use the NO WAIT APP for a reservation

**Almond's** -- limited menu, but everything is delightful; pork tenderloin is one of their best dishes—call for a reservation

**Café Napoli** -- a little more expensive—use OPEN TABLE for a reservation

**5 Star Burgers** -- great Happy Hour 4-6 pm w/\$1.50 sliders and \$1.00 ice cream shooters; veggie burger is great; salted caramel ice cream is awesome; family friendly

**Half & Half** -- best breakfast/brunch in town from 7-2, order the Veggie Hash (brussel sprouts, onions, potatoes)—use the NO WAIT APP

**Companion Bakery** -- also only for breakfast/brunch from 6-3, their oatmeal is yummy with choice of toppings and their breakfast baked egg dishes are great—just get in line!

**White Box Eatery** -- great food for dining in or carry out; pastries and sandwiches are all delicious, good salads, too

**Kaldi's** -- wonderful alternative to Starbucks, locally-owned; breakfast, lunch, coffees, some pastries; many vegetarian dishes

### **For vegetarian, sugar-free, dairy-free, gluten free with a car or a long walk:**

**Frida's** -- try the Lemon Ginger Shot to start off your meal, and consider the Raw Fettucini salad (made with spiralized zucchini); the chocolate-peanut butter cup w/locally sourced peanut butter and the chocolate mousse (made with avocado as the base) is great w/ the peanut butter or raspberry stir-in

### **For those who want to travel a bit:**

- Ted Drewes Frozen Custard
- Crown Candy Kitchen
- Sweetie Pie's Soul Food
- Gus' Pretzels
- Bissinger's Chocolate (a restaurant for coffee, dessert, and LOTS of chocolate)  
Gooey Butter Cake
- SweetArt (baked goods, sweets, and light lunch in the functioning studio of a local activist artist Cbabi Bayoc)
