

Elementary Section Nominating Committee

The Elementary Section Nominating Committee prepares a slate of candidates for vacancies that occur annually on the Elementary Section Steering Committee and selects candidates for the succeeding year's Elementary Section Nominating Committee. The candidate who receives the largest number of votes in the election will chair the Nominating Committee.

All nominating committees attend the Annual Convention in November. Members meet on Saturday and Sunday mornings to discuss the names submitted by mail, to solicit further nominations, and to generate nominations from within the Committee as needed.
