Re: 2012 Price List

---

The attached "Agency Rate and Policies" sheet describes pricing information for all journals published by the National Council of Teachers of English. Please note there was a price increase in January 2010. Use these prices in all renewal and new subscriber mailings. Also, note the volume numbers and issue months of the periodicals and journals. If you wish to receive the rate sheets electronically, please provide us your e-mail address.

NCTE operates on a Fiscal Year beginning July 1 and ending June 30 the following year. Therefore, the rates listed in this memorandum are effective July 1, 2011 through June 30, 2012.

**Regrettably, the journals *Classroom Notes Plus* and *School Talk* will no longer be published. The final issue of *Classroom Notes Plus* is April 2011 and the final issue of *School Talk* will be July 2011. Back Issues are available while supplies last. Currently, should your client wish to have online archive access to *Classroom Notes Plus*, *School Talk* as well as the previously discontinued journal, *Primary Voices*, your client will need to purchase an NCTE Membership.**

**If your clients have subscriptions that extend beyond the last issues, NCTE Staff will be in touch with options. Due to the discontinuation of *Classroom Notes Plus* as well as *School Talk*, the Journal Comprehensive Package prices were decreased to reflect these changes.**

**NCTE now offers On-line Only Subscriptions. Prices are located in this letter.**

## **ON-LINE ACCESS TO NCTE JOURNALS**

### **Institutions with IP Address Capability**

Subscribers to NCTE journals can now access journals through IP addressing.

- For existing subscribers please fill out the IP Address form located at <http://IP Address Submission Form> and either fax to 217-328-9645, mail to National Council of Teachers of English, 1111 West Kenyon Road, Urbana, IL 61801, or email [customerservice@ncte.org](mailto:customerservice@ncte.org). This website also includes information regarding the Institutional Agreement, how to provide NCTE with IP addresses, or frequently asked questions.
- For renewals or new orders please provide the IP addresses with your orders. When payment is received for a subscription and the IP addresses have been provided, access will be available within 48 hours from receipt of this information. For further information please contact Customer Service at (217) 328-3870, or email [customerservice@ncte.org](mailto:customerservice@ncte.org).
- Once IP addresses are provided and activated go to [www.ncte.org](http://www.ncte.org). You will see your journals listed in the upper right of the page; simply click on the title to access. If you do not see your

journals, your IP addresses are not activated. Please contact Customer Service at (217) 328-3870 or email [customerservice@ncte.org](mailto:customerservice@ncte.org).

- If IP addresses are not on file with NCTE the login procedures listed below will need to be followed.

**Institutions without IP Address Capability** - Subscribers to NCTE journals without IP Address capability can access journals through their own user ID and password. Please contact Customer Service for the User Name and Password. Once received, institutions will be unable to change their user id and password.

For information regarding the Institutional Agreement, how to provide NCTE with IP addresses, or frequently asked questions, go to <http://www.ncte.org/join/institutional>

When ordering multiple journal titles, combination rates are not available. The institutional Comprehensive Journal package **does not** include membership or the *Council Chronicle*. Institutions are strictly defined as subscribers to our journals, not as members of the Council.

Electronic copies of all NCTE journal articles published from January 1995 to the present are available through a searchable database. It enables journal subscribers to access every article published since 1995 in the journals they receive, including new articles, which will be available online as soon as they go to press. All issues of CCC, CE, EJ, RTE, and EE are being added online since their inception as a journal. Currently they are available from 1980 forward.

With regards to the Subscription *Talking Points*, Volumes 16, 17, and 18 are only available on-line. There were two issues published each year.

Due to tightly controlled inventory, journal supply is limited. Missing issues requests must be claimed within six months for a stateside address and within one year for international addresses. Claims will be replaced only two times against the same order.

\* Any questions relating to subscription service and circulation matters should be directed to the Customer Service Department, 1111 W. Kenyon Road, Urbana, IL 61801. Phone: (217) 328-3870, Fax: (217) 328-9645, or E-mail: [customerservice@ncte.org](mailto:customerservice@ncte.org).
