Thank You to Our Reviewers—Revised

The editorial team at *English Education* (Tara Star Johnson, Shea Kerkhoff, and Tiffany Karalis) would like to extend a heartfelt thank you to the reviewers who play an integral role in the journal’s success. Below is a list of people who have reviewed manuscripts from January 1, 2016, through April 30, 2017. It is always with some trepidation that we solicit reviews, knowing full well the time and energy it takes to provide constructive feedback that not only informs our publication decisions but also helps scholars refine their work. It never ceases to amaze us how generous and even cheerful our reviewers are! Thanks to everyone on this list—and a special thank you for those marked with an asterisk* (indicating two reviews) or two asterisks** (indicating three or more reviews). We owe you big!
