

A. Membership Demographics

- **Membership varies between 50,000 and 52,000 unique individuals; in addition, we serve about 6,700 schools/institutions/libraries, and about 500 non-member subscribers. Depending on how you define our target audience, we serve roughly 16% of the literacy/language arts/English studies educators in the US.**

3. With what racial group do you identify? (categories drawn from US Census descriptors—check all that apply)

American Indian or Alaskan Native	26	1%
African American/Black	95	4%
Asian, including Asian Indian or Pacific Islander	27	1%
Latino/Hispanic	63	3%
White–non-Latino/Hispanic	2188	91%
Other, please specify	55	2%

Commentary: we are not as diverse as the general k-12 teaching population (84% white) which is not nearly as diverse as the k-12 student population. For the past twenty years, NCTE survey and census data has consistently recorded the share of members of color in the range of 9% - 14% of total membership since the mid 1980's.
